Congratulations to the Year 10 Debating Team. On Friday 31 July, they were zone winners by defeating Hornsby Girls in the inter knockout round. They will be competing next week in the regional quarter finals.

Student Achievements

Congratulations – 5 Gold Medals

What a fantastic result from Katya Buryak (Year 10) at the Combined High Schools (CHS) Gymnastics carnival on Monday 3 August. Katya successfully won all 5 Gold Medals.

Katya placed first overall and first in all four apparatus (hoop, rope, ribbon and clubs) in Division A (Level 9) in the 2015 NSW CHS Rhythmic Gymnastics Championship. Katya was part of the Sydney North team at the competition.

Boys’ Knockout Baseball Team

Congratulations to the Killara High School boys’ knockout baseball team who defeated Tamworth 13-0 in Tuesday’s game in the Golden Guitar Country town of Tamworth.

Congratulations to all of the players and PDHPE Teacher Ms Jennifer Downes for this great victory. Thank you to Mr Beyers for also making the trip with the team.

Mr Matt Dolan’s baseball experience and enthusiasm also deserves credit for their success with the early morning training sessions throughout Terms 1 and 2.

The baseball team will now compete in the final 16 of the state.

Head Teacher Stage 5
Zone Athletics and Sydney North

On 24 June, 125 students attended the Zone Athletics Carnival at the Homebush Sydney Athletics Centre. Killara High School performed exceptionally well in both track and field events. We particularly excelled in the 4 x 100m relay, with 9 teams out of 12 either coming first or second in their event.

Well done to Sophie Halliday (12 Years), Jack Comeskey (12 Years), Tamara Kowcz Rosinke (14 Years), Brianna Gibson (16 Years), Nicholas O’Donohue (16 Years), and Samantha Bowden (17+ Years) who all came second in their respective age group. Congratulations to Thomas Jobling (13 Years) and Benjamin Mackay (17+ Years) who were age champions.

Killara High finished second overall; a fantastic result! All students who participated in the carnival must be congratulated on their skill and ability, as well as their positive behaviour throughout the day. Thank you too to each student who covered events due to injured or sick competitors.

The Sydney North Area Carnival was held on the 20 and 21 July. Forty five students competed from Killara High for Ku-ring-gai in both track and field events. Ku-ring-gai was successful in winning the carnival with 4964 points. Benjamin Mackay (17+ Years) must be congratulated on his fantastic result as Age champion. A total of 16 students (see student list) qualified for the CHS Carnival which will be held on 3 and 4 September. We wish these students all the best in their training and preparation for the carnival, as they compete in their individual events.

These students qualified for the CHS Athletics Carnival:

HSC Students and Families

The North Shore Synagogue has, for many years, successfully maintained a tradition of hosting a HSC Shabbat, dedicated to the HSC students. As part of the evening we invite a guest to reflect on their journey post-high school.

Our guest speaker this year, Alex Zak, will be talking about his life as a former policeman in the Metropolitan Police Service in London before visiting Sydney as a backpacker and then deciding to permanently emigrate here. Alex is also qualified as a commercial and aerobatics pilot, and has started several businesses, including an import company, a development company, gyms and a day spa.

Our Annual HSC Shabbat will be held on Friday, 28 August, commencing at 6.30pm. We would be honoured to have you and your family join us at this special service. The Service will be followed by a three course meal, for students and their families.

The cost for the evening is:
- Adults $35.00
- HSC Students $25.00
- Children 13 - 17 $20.00
- Children 6 – 12 $15.00

Please RSVP directly to the Shul office on 9416 3710, no later than Thursday 13 August to facilitate catering arrangements.

We look forward to having you and your family with us.

New fiction:

Chan, Kylie - **White Tiger [Dark Heavens #1]**
A young woman accepts a position as nanny to the young daughter of a handsome, wealthy, and mysterious Chinese businessman only to discover her new employer is really a god and every foul demon in creation is out to destroy him!

Dinsdale, Robert - **Little Exiles**
Jon Heather, proud to be nearly nine, keeps a vigil at the end of his lane. Determined not to be beaten by the cold he stands and waits for his father. It is Christmas Eve, 1948. Christmas, a time of family and a time of miracles. Although he has never once seen his father, Jon knows that he is coming home.

But Jon’s father does not return, and one evening no longer able to cope, his mother leaves him by the door above which the legend reads, Chapeltown Boys Home of the Children’s Crusade. Several weeks later, still believing his mother will return for him, Jon finds himself on a boat set for Australia. Promised paradise and a new, better life, Jon soon realises the reality is very, very, different. [F DIN]

Oliver, Lauren - **Vanishing Girls**
Dara and Nick used to be inseparable, but that was before the accident that left Dara’s beautiful face scarred and the two sisters totally estranged. When Dara vanishes on her birthday, Nick thinks Dara is just playing around. But another girl, nine-year-old Madeline Snow, has vanished, too, and Nick becomes increasingly convinced that the two disappearances are linked. Now Nick has to find her sister, before it’s too late. [F OLI]

Weetman, Nova - **Frankie and Joely**
Frankie and Joely are best friends. They love each other like no one else can. But when a summer break in the country brings fresh distractions, simmering jealousies and festering secrets, can their friendship survive? It’s the holidays and, together, Frankie and Joely board a train and escape the city and their mums for a week of freedom. But when Joely introduces Frankie to her country cousins, Thommo and Mack, it soon becomes clear that something other than the heat is getting under their skin. As the temperature rises and the annual New Years’ Eve party looms closer, local boy Rory stirs things up even more and secrets start to blister.
Suddenly the girls’ summer getaway is not panning out how either of them imagined.

Winton, Tim - *Shallows*

Shallows is set in a small whaling town in Western Australia, where land-based whaling has been a tradition for over 150 years. When Queenie Cookson decides to join an anti-whaling protest group, she defies her husband, her ancestry, and her community. Winner of the prestigious Miles Franklin Award in Australia, this eloquent and moving novel speaks with immediacy and passion of the conflict between the values of a close-knit, traditional society and the evolving mores of the wider world.

**New non-fiction books**

**Chambers, Catherine, How to handle discrimination and prejudice - (303.385  CHA)**

Discrimination and prejudice can take many different forms, such as racism, sexism and homophobia. All of these kinds of attitude have one thing in common: ignorance. People who are victims of discrimination and prejudice often suffer in silence. However, things don’t have to be that way. Includes – Practical advice for dealing with real-life problems, suggestions as to where you can find support and advice on how to feel positive about yourself.

**Chisholm, Richard & Nettheim, Garth, Understanding Law 8th Edition - (347.94  CHI)**

A clear and engaging introduction to Australia’s legal system. The law affects every Australian in all sorts of ways. But the complexity of the law and its legal traditions can make it difficult for people to manage legal problems when they arise and discourage participation in community decision-making. Designed as an accessible introduction to Australia’s legal system, this popular book demystifies the law and shows its importance to our society.

Why do we keep checking the news? Today, the news occupies the same dominant position in our lives as religion once did. But rarely do we consider how it touches us. Here, Alain de Botton examines a number of archetypal news stories – a plane crash, a murder, a political scandal, a celebrity interview – from a fresh perspective to ask intriguing questions: why do disaster stories titillate? Why obsess over love lives of the famous? Why smile when a politician falls from grace? In so doing he brings clear sight and understanding to a force which, above all others, informs our view of reality.

**Feng, Li, Forged from Silver Dollar - (920.72 FEN)**

The true story of four generations of inspiring women and the making of modern China. Li Feng grew up in Mao’s China with her mother’s motto burning in her ears – success demands two things: unconditional sacrifice and absolute mental focus. Looking back on her family history from her home of Sydney, Li began to piece together the lives of those who came before her – women who struggled to overcome the odds in the face of unimaginable tragedy and oppression. What she found was the story of four generations of women – from Silver Dollar, who fought to regain her dignity and change her destiny after being sold into a loveless marriage at twelve; to Ming Xiu, who was forced to make a choice no mother should ever have to make following the execution of her husband; to Li’s mother, Rong, who grew up as an outcast but never gave up hope of a better life.

**The Big Trip - 331.347 - BIG**

Your ultimate guide to gap years and overseas adventures. So, you know you want to experience that ultimate overseas adventure – but where do you start? Try these ideas on for size. *Swim with dolphins off the coast of New Zealand*  *Learn Spanish in Guatemala*  *Teach children English in Ghana*  *Work your way around the UK’s best bars*  *Tend orphan elephants in Sri Lanka*  *Get a soaking at Thailand’s Songkran water festival.*

**Tofler, Alvin, Future Shock - (303.4 TOF)**

Future Shock is about what is happening today to people and groups who are overwhelmed by change. Change affects our products, communities, organisation – even our patterns of friendship and love. Future Shock vividly describes the emerging global civilisation: tomorrow’s family life, the rise of new businesses, subcultures, life-styles and human relationships – all of them temporary. Future Shock illuminates the world of tomorrow by exploding countless clichés about today. Future Shock will intrigue, provoke, frighten, encourage and above all change everyone who reads it.

Lindfield District Cricket Club
The History of cricket in Sydney's North Shore

Registrations are now open for the 2015/16 season!
U9-U16/17 Teams (age as at 31st August 2015)
LDCC Juniors play in the North Shore Junior Cricket Association and train in the Lindfield area. We welcome players of all abilities and encourage friends to play in teams together. Our teams are ungraded which fosters active participation from all players. Coaching is a focus to allow skill development which leads to further enjoyment of the game.

For U13 and U14 players there is a choice of playing on Saturday afternoons or Sunday mornings. The competitions for U13’s players are on Sunday mornings. The U16/17 competition is on turf wickets.

Player Development Program
This program is designed to allow players to test their skills at a higher level, through occasionally playing a game in a higher age group and participating in specialist coaching from professional coaches. Our U16’s train with our senior players on Thursday evenings from 4.30pm and may ultimately play some games with the seniors in the Shires competition. The Shires competition, administered by CricketNSW, is a Sydney wide competition of a high standard and an important stepping stone for young players to gain experience and achieve their ultimate cricketing goals. All this opportunity while playing with your mates, in your regular team!

Our Club is proud of its long association with Killara High School. Many of our senior players are old boys and the club built the cricket nets at the school. KHS is our local high school.

Register online via the club website www.ldcc.com.au Click Juniors and then Registration Alternatively, attend Registration Day Sunday 9th August 10am-1pm at the Lindfield Oval Clubhouse, Tryon Road.

‘Pills, powders and liquids’: Everything parents should know about ecstasy, ‘Ice’ and other illicit drugs in 2015

Lane Cove Council and the Family Referral Service present:
The second in a series of two workshops for parents by Paul Dillon
Thursday 20 August 6:15pm – 8:00pm
Lane Cove Library

Paul Dillon – Drug and Alcohol Research Training Australia (DARTA) has been working in the area of drug education for the past 25 years.

About the workshop:
The workshop will center on adolescents and illicit drugs. Although alcohol continues to be the most popular and problematic drug used by Australian secondary school students it is the use of illicit drugs such as ecstasy and methamphetamine (‘Ice’) that many parents are most concerned about.

Whereas alcohol may have been their drug of choice when they were younger, many parents have little understanding of a range of newer drugs. This presentation will provide information on some of these substances, including predominance rates amongst secondary school students, harms associated with their use and the changes we are seeing in how these drugs are being accessed by young people.

Bookings are essential and will be taken on a first come, first serve basis. To book, email each attendees name, postcode and email address to: lane@lanecove.nareways.gov.au or call 9911 3585

ARE YOU LOSING SLEEP OVER THE HIGHER SCHOOL CERTIFICATE?

Lack of sleep is affecting your exam results, the ability to memorize, focus and concentration times. Sleep disorders are also associated with the mental health problems of anxiety and depression and the inability to deal with stress.

Teenagers who sleep less are more likely to take risks, worse accident-prone, male and female teens and are more likely to revert inappropriate coping mechanisms such as abusing food and using substances such as nicotine. The physical health problems include obesity, heart disease, diabetes, and tumour diseases, inflammation, compromised immune function, even reduced grey matter in the brain and cancer.

BEETTER RESULTS! Imagine if you could...

• Improve spatial and declarative implicit memory, resulting in better ATAR scores;
• Learn why your sleeping habits help you study more effectively for longer periods, due to improved attention span, ability to focus and concentration;
• Reduce stress and anxiety and the need for junk food to keep you alert;
• Improve your mood and confidence levels.

Here is some of what will be exposed at Secrets to sleep that you are not being told of in other places:

• The two insomniac types and how to recognize your wakefulness problems;
• The little known, simple tricks and environment changes that can change your sleep habits forever;
• Techniques to get the most out of your study time;
• Natural sleep solutions, easy to implement;
• How to perform better in exams;
• The shortcomings and side effects of medications;

SECRETS TO SLEEP

RELAX, RECHARGE, REFRESH

BECAUSE YOU’RE SPECIAL TOO!

We made you a promise...
... and thanks to your generous from Carley’s VQA is our wonderful centre, habitats left overlooked;
we are excited to announce

RELAX, RECHARGE, REFRESH

This special day is for parents of children with ADHD, who often find daily life overwhelming, taking little time to focus on their own needs. Being after you is not published but essential to being able to be the best parent you can be. You can’t give your best if you have nothing left to give.

Relax, Recharge, Refresh will allow you to take time out to relax on your personal health and well-being.

Our health nurse will share strategies on gaining more balance in your life as you bring the way you use things, exercise, nutrition and sleep.

Time of medication is experimentation. You’ll literally relax with the free music, massage, games, morning refreshments and just challenge to others what you understand. - all new knowledge sharing, healthy brunch and the ocean.

Not only will you take away many life-changing strategies from our presenters, but we’ve been generously supported by some beneficial, helpful & intercommunity creative companies, you’ll also walk away with an engaging gift bag to continue the experience at home.

So go on... spoil yourself...
