Dear Parents/Caregivers,

2nd February 2015

Year 11 Visual Arts Life Drawing Workshop

As part of the Visual Arts course, your child’s class is participating in a Life Drawing workshop. Life Drawing (drawing the human body from life/nude) has for centuries been a significant aspect in the training of young artists. It has also been practised by Killara students in past years and for some of these students the life drawing experience has provided the basis of work exhibited in Artexpress. The Semester 1 Program of work for Year 11 entails drawing, painting and making artworks based on the human form. We are offering Year 11 students the opportunity of attending a life drawing workshop and students will be expected to submit drawings produced during this incursion as part of their first practical assessment task this term.
